Special Meeting Program

Don't miss our June 28 meeting at Wandermere! Guest speaker Detective Kirk Kimberly is a recognized expert on Elder Fraud & Abuse and serves on the Washington State Attorney Generals Council on Elder Abuse & Fraud. He is also an author and part time professor at Gonzaga University. This topic should be most interesting to our membership. Great time to bring a guest or two to one of our meetings! Thanks to Lion Brian Hamond for arranging this program.

It Pays to Attend!

Our membership meeting attendance drawing starts at \$25.00 and grows by \$5.00 each meeting until claimed. Lion Bob Materne missed out on \$35.00 at our May 24 meeting and Jerry Jones forfeited \$40.00 at the June 14 meeting. \$45.00 up for grabs June 28. Don't miss out!

Presidents Message

My fellow lions. This will be my last President's Message. To say that it has not been a privilege to serve the club members in this position would be totally incorrect. The last three years have been fulfilling, enlightening and bountiful. I would like to thank all the board members and officers who have served and provided both insight and support. To Secretary Jerry Walker and Treasurer Mark Hund I extend both my thanks and gratefulness. You both have always been on target and indeed are a credit to your work ethics and manners as you get things done.

Our new president is Lion Danny Lennon. He will do an outstanding job. He does need your support and I ask that you provide that to him. I believe that he is ready to take up the challenges that we face in the coming months and years. I also ask that you as club officers and individual members take on responsibilities that can make this club and the community a better place to live. And always remember "We Serve".
