

# **In the Zone!**

## **Lions News & Info**

### **Zone 19-E-1**

#### **Notes from E-1 Zone Chair**

Our zone 1 and 9 meeting is this coming weekend on Saturday morning at Lilac Services for the Blind. See the announcement to the right of this.

At the zone meeting each club should have a report on all that you have been doing over the last couple of months. Also, you can let us know what is coming up. Look at your past VAD reports for a refresher so you don't forget something when your club reports.

At the zone meeting we have an exciting candidate to endorse. . . No, not for president :-). Lion PDG Jerry Flood (secretary of Medical Lake Lions) is running for Vice-Council Chair of MD19. This means that, if all goes well, he should be Council Chair in a couple of years! Let's all have a voice in supporting Lion Jerry as the Zone will vote to support him in his efforts. In this vote we must have 4 or our clubs present and voting in favor. I hope you can all be there.

Since it is Holiday time it must be time for something good to eat. I will provide some goodies and, of course, you can bring something to share too. We'll have coffee and tea to share at the very least.

I really hope to see each of you this coming Saturday! Happy Holidays!

*Zone Chair E-1  
John Wilson*

#### **Zone Meeting Saturday, Dec. 3**

There will be a Zone E-1 and E-9 meeting this Saturday, Dec. 3. I hope each of the clubs in both zones can make it to this meeting. Why?

First, in Zone 1 we need to verify our support for PDG Jerry Flood running for Vice-Council Chair of MD19. It will be exciting to have our MD19 Council Chair from our District.

Next I know that several clubs in both zones planted trees as part of the LCI project around the world. We need to report our zones' efforts as a group. Of course, there are many other projects your clubs have participated in. I hope you can be there to

let us know about them as well.

We have a proposed service project to learn about that will concern the success that Spokane North has had during their recent Rosauers food bagging project. I know you'll want to hear about that.

**Visit Zone E-1 clubs but make  
contact before visiting!**

I also want to share what has been done at the Lions Eyeglass Recycling Center and what we still need to do. We have had participation from several clubs in our zone and I know the rest of you will be interested in knowing what has been accomplished!

**The Zone E-1 and E-9 meeting will be held at Lilac Services for the Blind, 1212 North Howard Street in Spokane. We will begin at 9:00 am and be done by Noon. I hope every club will be represented.**

## **Reporting**

We have made some headway in our reporting practices! Thank you so much for your efforts on this. We were 100% on one of the reports but not the other.

The **VAD** (visitation, activities and donations) is important so that the rest of our Dist. 19E and MD19 can know how we are doing. Email this to the DG, 1VDG, 2VDG and ZC (me) so we get credit all around. The **WMMR** is done on line at [www.lionsclubs.org](http://www.lionsclubs.org). Ask me how if you have ques-
